**JURORS:** Liz Lambert, Jack Sanders, Steve Ross and Tracey Overbeck Stead

M+D+F is a juried exhibition by respected creative professionals in the design, architecture and art worlds in Austin. M+D+F provides an opportunity for peer, public and professional recognition for up-and-coming designers and firms. In addition to the overall "Best in Show" winner, a separate award will be given to the design that best exemplifies environmentally conscious practices.

Winning applicants will be notified by April 12. Selected pieces will be exhibited in the Design Within Reach Studio, 200 West 2nd Street, on Sunday May 3, from 5-7pm.
